Smoke and Drug Free Park Campaign

- WHY WE NEED IT..

Trash from each park ...

Why is this important?

- Alcohol, tobacco and drug use should not take place on and near tot lots or other areas kids are playing.
- Barstow residents need clean, safe open places such as parks and playgrounds.
- Our efforts are focused on safe parks as part of the Barstow SAFE mission.
- MISSION: To reduce the use of drugs and alcohol, especially among youth, in an effort to create an environment that is free of harmful substance use.

Our next steps...

- We plan to take our campaign to City Council
- Work with Barstow Police Department
- Keep our parks safe from the harms of Drug and Alcohol debris

We would love your help and
support to take action on our ...
