1. Understanding of environmental prevention strategies to reduce alcohol, tobacco and other drug problems;
2. Assist with development, implementation, and coordination of project activities and educational trainings;
3. Provide leadership to a community coalition, including conducting recruitment and engagement;
4. Provide topic-specific summaries of research, literature reviews, and evidence-based strategies to support public policy and media advocacy;
5. Effectively communicate with community members, property managers/owners, policymakers, and other high-level stakeholders (conduct one-on-one interviews, public comment, and presentations, etc.);
6. Translate technical reports, research papers, statistics, public policy, and institutional policy to laypersons;
7. Maintain Excel database of key data sources and indicators, develop progress reports;
8. Design and develop various publications with visual representations of data;
9. Manage social media strategy on multiple platforms, including website, as part of a comprehensive media advocacy and community organizing plan;
10. Participate in Smoke-free Multi-Unit Housing workgroup, training, and TA sessions;
11. Work periodic weekend and/or evenings and travel; and
12. Other duties as assigned.

JOB QUALIFICATIONS AND EXPERIENCE:

1. A bachelor's degree from an accredited college or university in public health, public policy and/or social sciences or related field of study **and** two year of experience in community organizing and advocacy OR equivalent combination;
2. Understanding of environmental prevention strategies to reduce alcohol, tobacco and other drug problems;
3. Ability to establish culturally sensitive working relationships with diverse populations;
4. Highly flexible and able to adapt to change quickly;
5. Strong work ethic;
6. Strong attention to detail;
7. Ability to work with a diverse team; and
8. Excellent computer skills and knowledge, including Canva, word processing, PowerPoint, and desktop publishing software and WordPress.

PREFERRED QUALIFICATIONS:

1. Bilingual capacity
2. Experience with event planning and execution
3. Experience collecting and analyzing data
4. Experience with public affairs and/or public policy

The job description is intended to describe the general nature and level of work being performed by people assigned to this classification. They are not to be construed as an exhaustive list of all responsibilities, duties and skills required of

personnel so classified. All personnel may be required to perform duties outside of their normal responsibilities from time to time, as needed.
