

TRAINING & TECHNICAL ASSISTANCE BY IPS

Building capacity, transforming systems, and advancing equity – nationwide.

DRIVING SYSTEMS CHANGE THAT LASTS

IPS (Institute for Public Strategies) offers strategic, high-impact training and technical assistance to organizations and funders across the U.S. working to create healthier, more equitable communities.

From community-based organizations to health departments to national and state agencies, IPS supports public health professionals in turning knowledge into action.

We specialize in upstream prevention, equity-centered systems change, and community transformation. Whether strengthening partnerships, designing and evaluating programs, or developing policies, we bring deep, field-tested expertise and practical tools that work.

WHAT WE OFFER
